1) An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claims 10, 11, 22, 23 are rejoined.

Claims 10, 11, 22, 23 status identifiers are changed from "(Withdrawn)" to - (Original) -.

2) The following is an examiner's statement of reasons for allowance:

The primary reason for allowance is that the cited prior art does not show: a method of making a paper product that includes forming a web of paper fibers by a wet method, partially dewatering the web to a fiber consistency claimed, topically applying to the web a glycol compound from the group claimed, and then drying the partially dewatered web by passing heated air through said web at a temperature claimed (claim 1); a method of making a paper product that includes forming a web of paper fibers by a wet method, partially dewatering the web to a fiber consistency claimed, topically applying to the web a glycol compound from the group claimed in an add-on amount of claimed percentage by weight of papermaking fibers, and then drying the partially dewatered web (claim 13).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
